## **INTRODUCTION**

Welcome to the CybercrimeSystem User Manual. This document provides a comprehensive guide on how to effectively use the CybercrimeSystem web application. This system is designed to facilitate the reporting, management, and tracking of cybercrime incidents. It serves as a centralized platform for users to report incidents and for administrators to manage and respond to these reports efficiently.

# **GENERAL USERS**

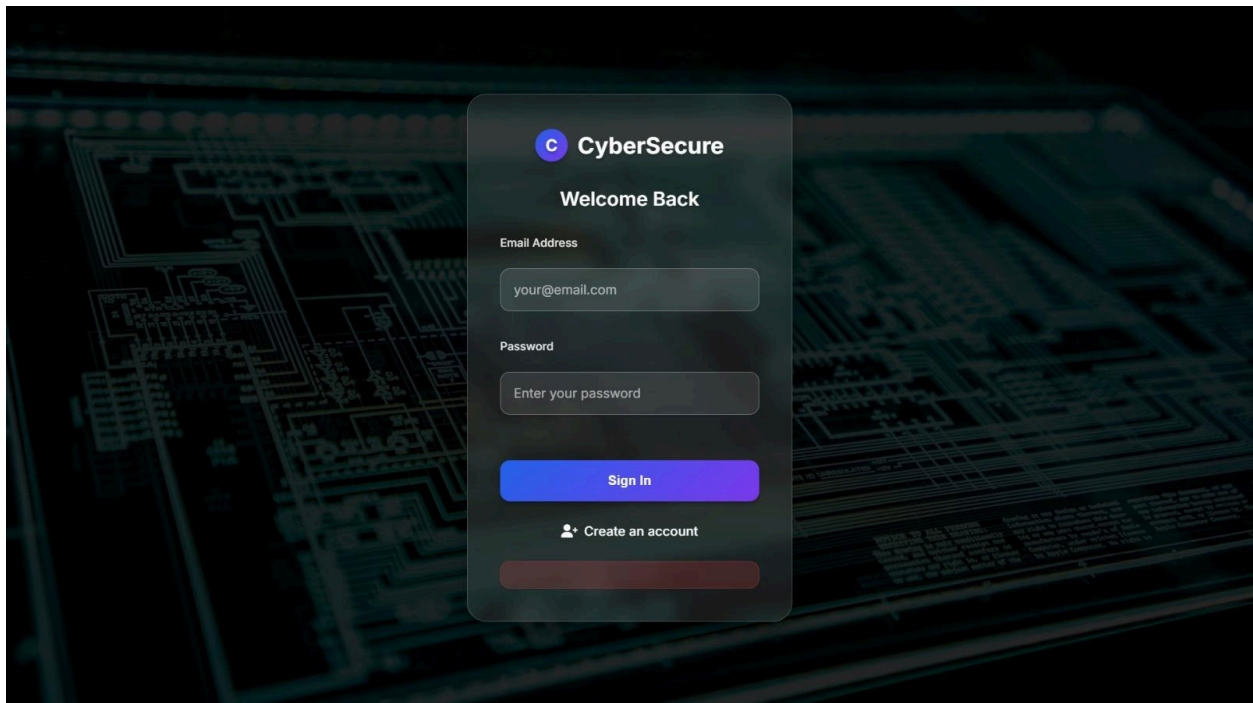

## REGISTER

1. Open the registration page.

A screenshot of a mobile application registration screen for 'CyberSecure'. The form is titled 'Create Account' and contains several input fields: 'Full Name' (filled with 'Hafiz'), 'Email' (filled with 'Hafiz@gmail.com'), 'Password' (filled with seven dots), 'Confirm Password' (filled with seven dots), 'Security Question' (filled with 'what city born'), and 'Security Answer' (filled with 'Sarawak'). A green checkmark and the text 'Passwords match' are visible between the password fields. A large blue 'Register' button is at the bottom, with a link below it that says '➔ Already have an account? Sign in'. The background is a dark, blurred image of a person in a room.

2. Fill in required information such as:
  - a. Full Name
  - b. Email
  - c. Password
  - d. Confirm Password
  - e. Security Question
  - f. Security Answer
3. Click “Register” to create an account.

## LOGIN

A login form for CyberSecure. The form is centered on a dark background with a faint circuit pattern. It features a logo at the top, a welcome message, input fields for email and password, a sign-in button, and a link to create an account.

**CyberSecure**

Welcome Back

Email Address

your@email.com

Password

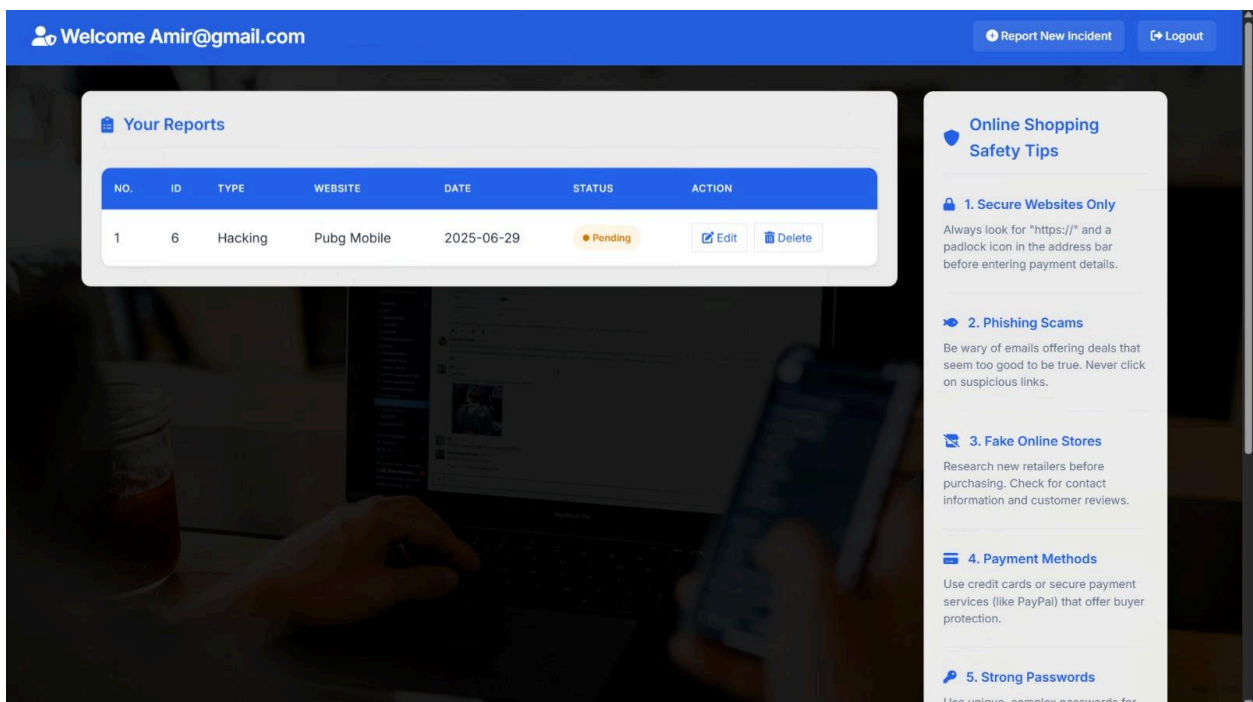

Enter your password

**Sign In**

Create an account

1. Enter your registered email and password.
2. Click the “Sign In” button to access your student dashboard.

## USER HOMEPAGE

A user homepage for Amir@gmail.com. The page has a blue header with a welcome message and links to report incidents and logout. The main content area includes a 'Your Reports' table with one entry for a hacking incident on Pubg Mobile, and a sidebar with 'Online Shopping Safety Tips'.

Welcome Amir@gmail.com

[Report New Incident](#) [Logout](#)

### Your Reports

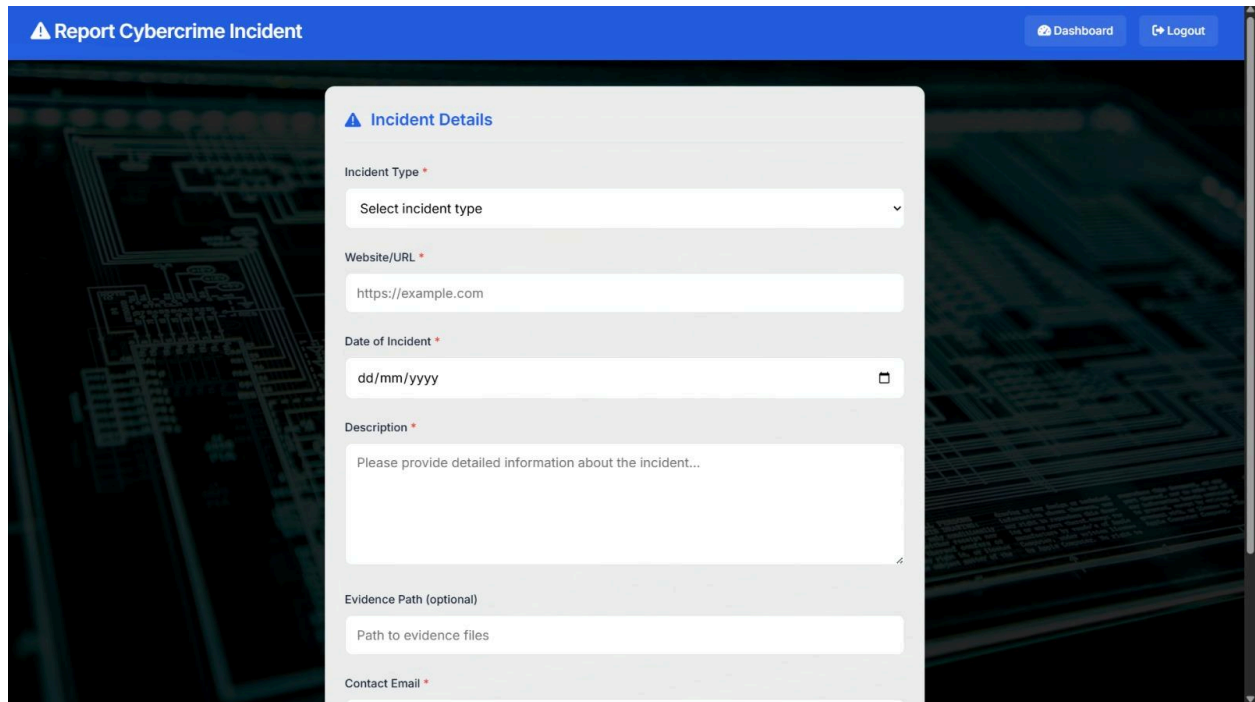

NO.	ID	TYPE	WEBSITE	DATE	STATUS	ACTION
1	6	Hacking	Pubg Mobile	2025-06-29	Pending	<a href="#">Edit</a> <a href="#">Delete</a>

### Online Shopping Safety Tips

- 1. Secure Websites Only**  
Always look for "https://" and a padlock icon in the address bar before entering payment details.
- 2. Phishing Scams**  
Be wary of emails offering deals that seem too good to be true. Never click on suspicious links.
- 3. Fake Online Stores**  
Research new retailers before purchasing. Check for contact information and customer reviews.
- 4. Payment Methods**  
Use credit cards or secure payment services (like PayPal) that offer buyer protection.
- 5. Strong Passwords**  
Use unique, complex passwords for

1. After logging in, you will be directed to the homepage.
2. The homepage displays:
  - a. Your report history
  - b. Online Shopping Safety Tips
  - c. Report new incident.

## Report New Incident

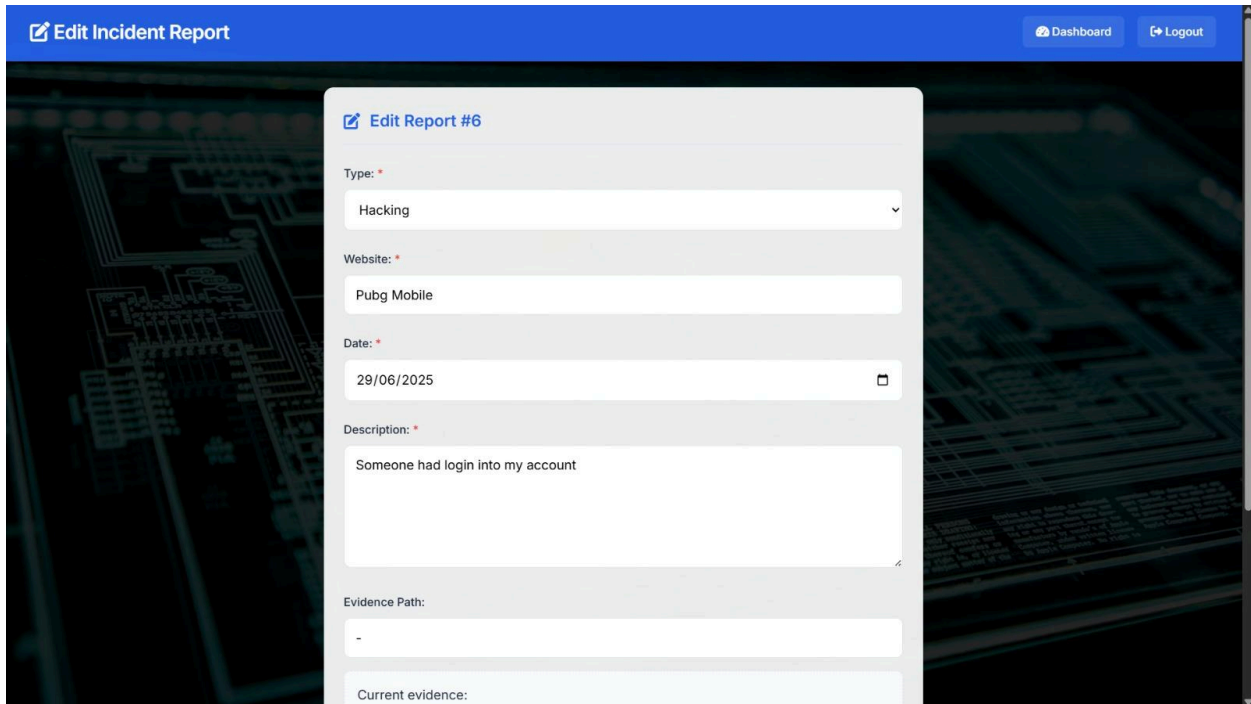

The screenshot shows a web application titled "Report Cybercrime Incident" with a blue header bar. In the top right corner of the header, there are two buttons: "Dashboard" and "Logout". The main content area has a dark background with a circuit board pattern. A white form titled "Incident Details" is centered on the screen. The form contains the following fields:

- Incident Type \***: A dropdown menu with the text "Select incident type" and a downward arrow.
- Website/URL \***: A text input field containing "https://example.com".
- Date of Incident \***: A date picker input field showing "dd/mm/yyyy" and a calendar icon.
- Description \***: A large text area with the placeholder text "Please provide detailed information about the incident...".
- Evidence Path (optional)**: A text input field with the placeholder text "Path to evidence files".
- Contact Email \***: A text input field (partially visible at the bottom).

1. Once user click into Report new incident.
2. User have to fill in all the incident details.
3. And then click Submit for submit

## Edit Report

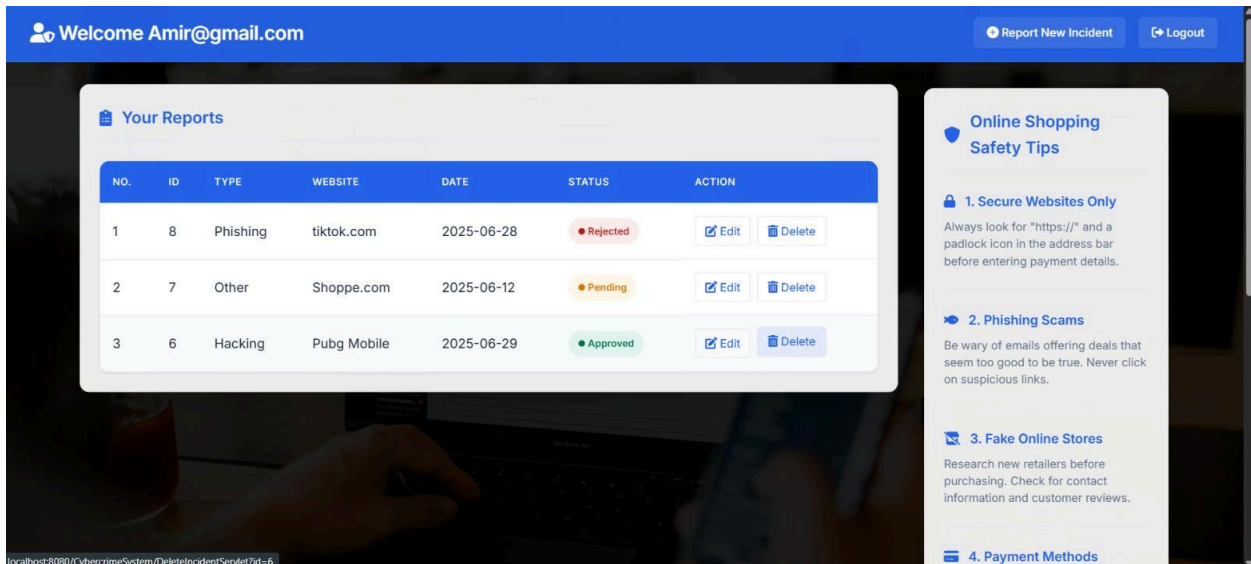

The screenshot shows a web application interface for editing an incident report. The header is blue with the text 'Edit Incident Report' and links for 'Dashboard' and 'Logout'. The main content area has a dark background with a circuit board pattern. A white modal form titled 'Edit Report #6' is centered. It contains the following fields:

- Type:** A dropdown menu with 'Hacking' selected.
- Website:** A text input field containing 'Pugb Mobile'.
- Date:** A date picker showing '29/06/2025'.
- Description:** A text area containing 'Someone had login into my account'.
- Evidence Path:** A text input field containing '-'.
- Current evidence:** A section for additional evidence, currently empty.

1. Click the “Edit Report” button at the homepage to edit your recent report
2. User can update their own report again by fill in all of the needed information.

## Delete Report

The screenshot shows a web application interface for viewing reports. The header is blue with the text 'Welcome Amir@gmail.com' and links for 'Report New Incident' and 'Logout'. The main content area has a dark background with a person using a laptop. A white modal form titled 'Your Reports' is centered, displaying a table of reports.

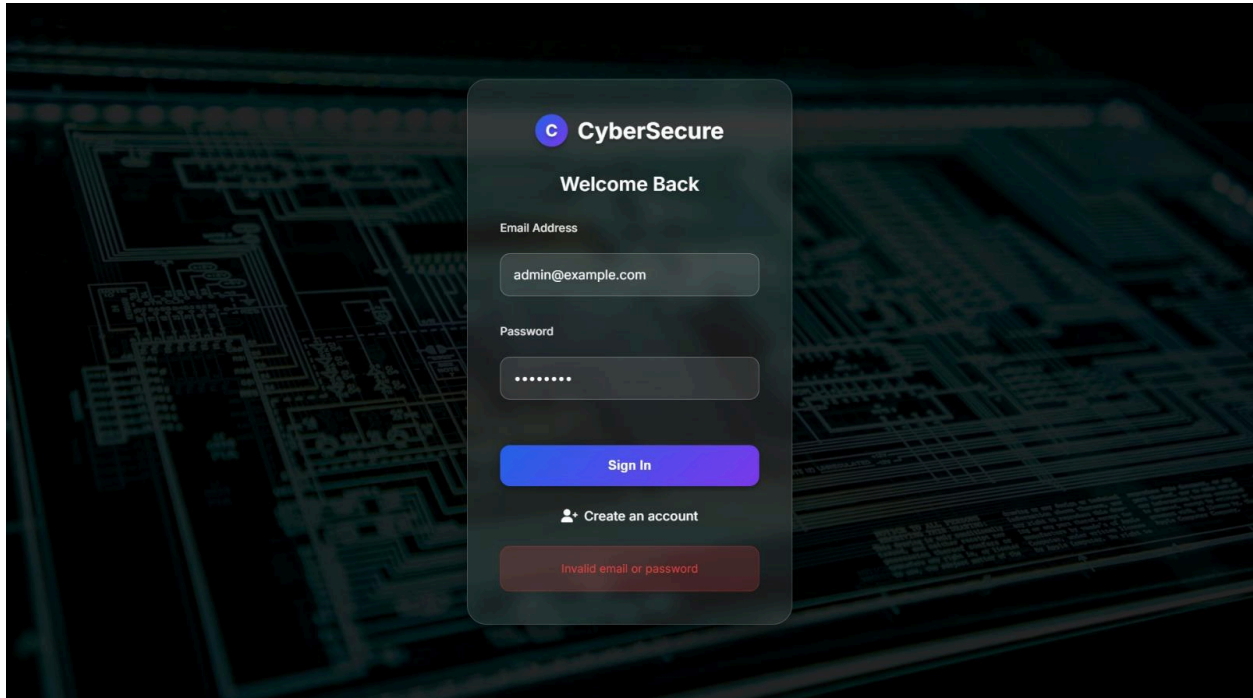

NO.	ID	TYPE	WEBSITE	DATE	STATUS	ACTION
1	8	Phishing	tiktok.com	2025-06-28	Rejected	<a href="#">Edit</a> <a href="#">Delete</a>
2	7	Other	Shopee.com	2025-06-12	Pending	<a href="#">Edit</a> <a href="#">Delete</a>
3	6	Hacking	Pugb Mobile	2025-06-29	Approved	<a href="#">Edit</a> <a href="#">Delete</a>

On the right side of the page, there is a sidebar titled 'Online Shopping Safety Tips' with four sections:

- 1. Secure Websites Only**  
Always look for "https://" and a padlock icon in the address bar before entering payment details.
- 2. Phishing Scams**  
Be wary of emails offering deals that seem too good to be true. Never click on suspicious links.
- 3. Fake Online Stores**  
Research new retailers before purchasing. Check for contact information and customer reviews.
- 4. Payment Methods**

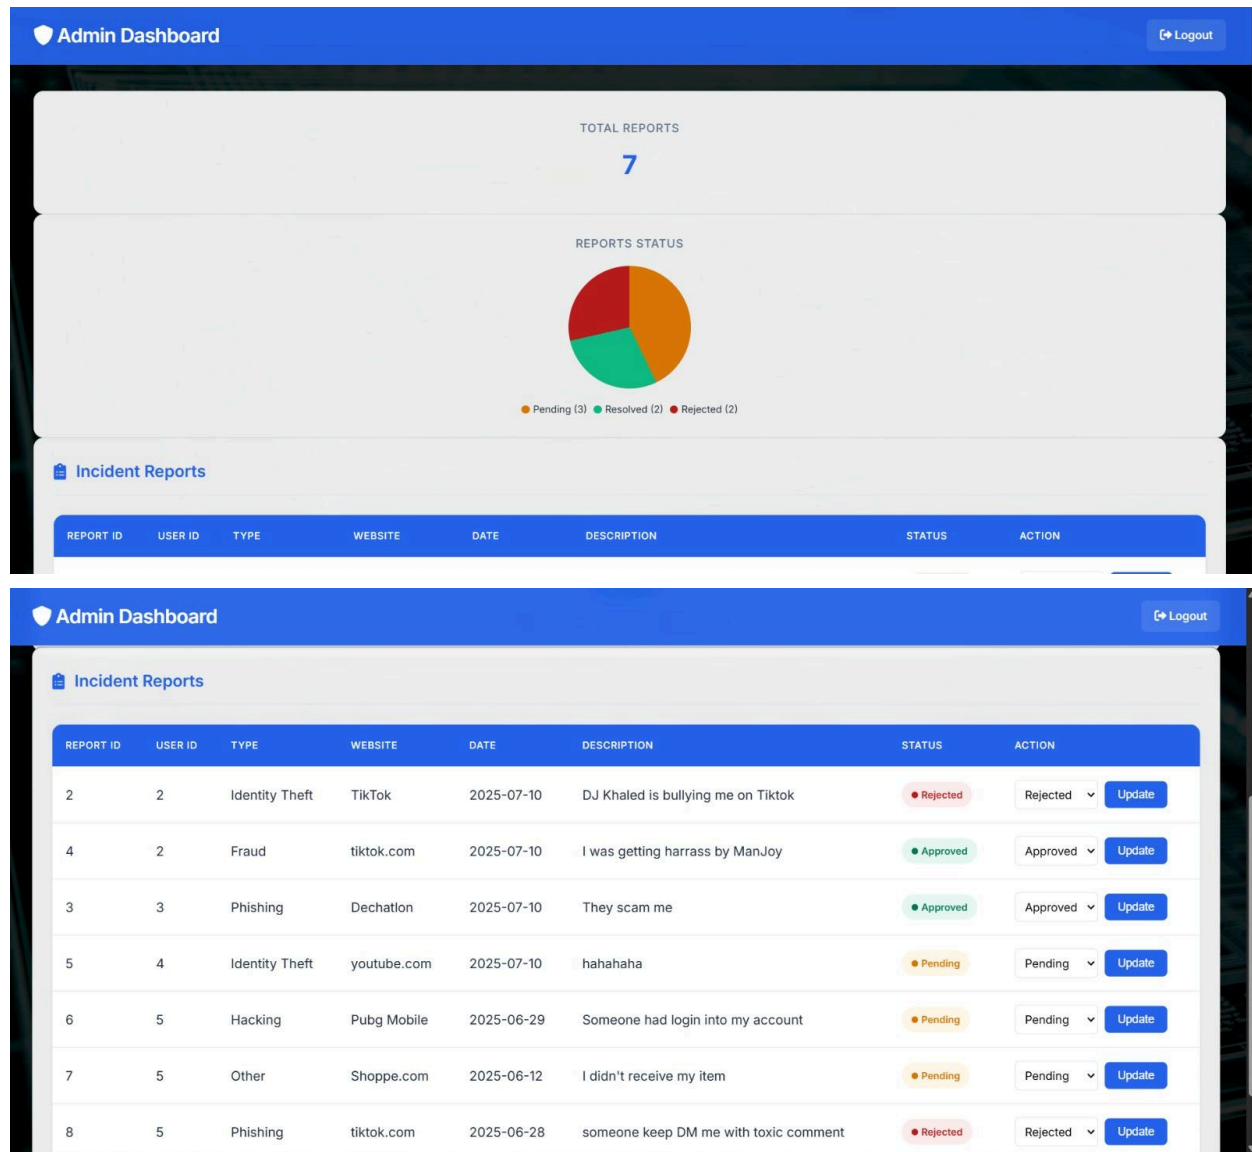

1. User can delete their own report by just click the “Delete” button.

## Admin Login

The image shows a login form for 'CyberSecure' overlaid on a dark background with a faint circuit board pattern. The form is a dark gray rounded rectangle. At the top, it has the 'CyberSecure' logo (a blue circle with a white 'C') and the text 'CyberSecure' in white. Below that is 'Welcome Back' in white. The 'Email Address' field is a light gray rounded rectangle containing 'admin@example.com'. The 'Password' field is a light gray rounded rectangle with eight dots. Below the password field is a blue 'Sign In' button. Underneath the button is a link that says 'Create an account' with a user icon. At the bottom of the form is a red error message that says 'Invalid email or password'.

1. Enter your registered email and password.
2. Click the “Sign In” button to access your admin dashboard.

## Admin Dashboard

1. At the admin dashboard, admin himself can see the total current reports receive. Also there are a chart to monitor between the total pending, resolved and rejected reports.
2. Once they scroll down, They can see all of the details of each report. Admin also can update the report status.
3. Click "Update" to update the current report status by choosing between pending, resolved and rejected.
